4TH - 8TH FEBRUARY 2019

COURSE OUTLINE

Overview

This 5-Day programme provides an introduction to Community Reporting and how it can be used to support the gathering, curating and mobilising of stories of lived experience. As part of the programme, participants will engage in storytelling activities, develop digital skills, learn about story analysis and visit and reflect on other digital inclusion projects. The programme will result in participants becoming Silver Members of the Institute of Community Reporters.

Aim

The programme aims to introduce participants to the Community Reporting methodology, enabling them to use insight storytelling techniques and pocket technology (i.e. smartphones and tablets) to tell, gather and share stories of lived experience and curate these into a packaged digital product (i.e. short video).

Learning Outcomes

1. Identify the key aspects of the Community Reporting movement and methodology
2. Use Community Reporting storytelling practices to gather insight stories of lived experiences
3. Co-create a Responsible Storytelling Best Practice Guide
4. Develop digital skills in terms of media recording and editing skills, and sharing media content online
5. Analyse a set of stories using the Institute of Community Reporters curation methodology
6. Present the key findings as a packaged digital product (i.e. short video).
7. Visit digital inclusion projects and reflect upon their activities, strategies for inclusions and methodologies.

WELCOME TO LIVERPOOL

About the City

Liverpool is a vibrant, maritime city in the North West of England - situated where the River Mersey meets the Irish Sea. It's a city steeped in sport culture and heritage - from the iconic buildings on the waterfront such as the Royal Liver Building to it being the hometown of The Beatles to its two major football clubs - Liverpool is as exciting now as it has ever been and has something to offer everyone with its friendly charm.

Training Venue

The training room is based in Make. Liverpool's building in the Baltic Triangle area of the city - the creative and digital quarter as it has come to be known. The area is home to some of the most cutting-edge and innovative organisations, events and happenings in the city, making it an ideal space for us to be based to soak up Liverpool's vibes! Our training room is The Incubator @ Make. Baltic, 27 Parliament Street, L8 5RN.

Airports

To get to Liverpool from Spain you can fly into either Manchester Airport or Liverpool John Lennon. Manchester Airport has flights to/from Alicante, Almeria, Barcelona, Bilbao, Girona, Granada, Ibiza, Madrid, Menorca, Malaga, Mercia, Palma, Reus, Seville, Tenerife and Valencia. Liverpool John Lennon Airport has flights to/from Alicante, Barcelona, Girona, Ibiza, Madrid, Majorca, Malaga and Reus.

Airports to the City Centre

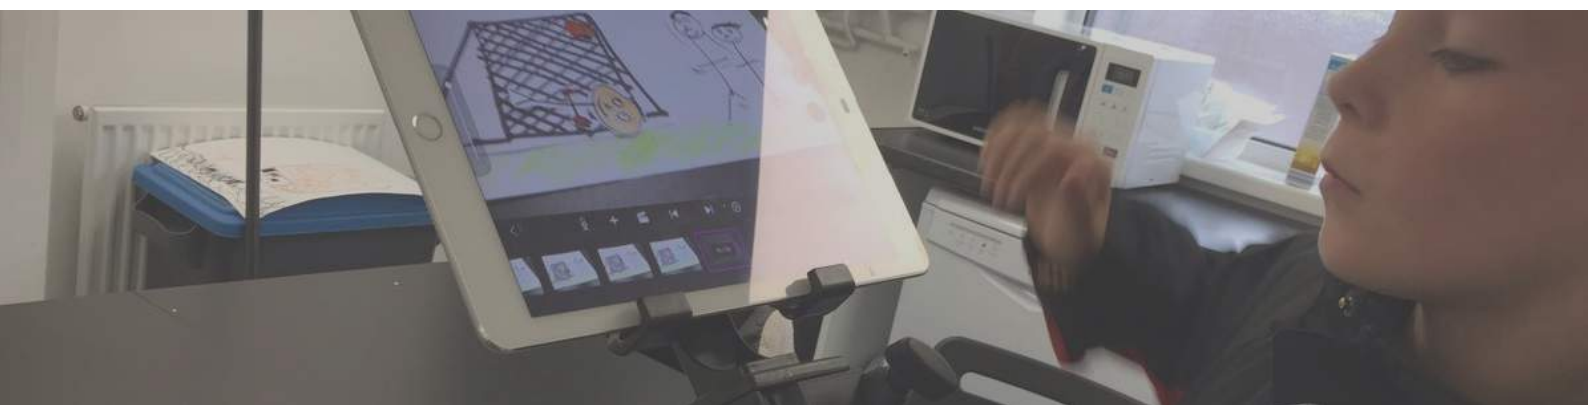

Manchester Airport to Liverpool City Centre

From the Airport take a direct train to Liverpool Lime Street station. This journey will take between 45 minutes and 1 hour. Liverpool Lime Street Station is situated in the heart of the City and approximately 15 - 30 minutes walk to the Baltic Triangle. If you want to take a taxi, it is better to book online in advance.

Liverpool John Lennon to Liverpool City Centre

The easiest option from the Airport is to take the Airport Bus (500) to Liverpool One Bus station which is in the city centre and a 10 minute walk to the Baltic Triangle area. There are also taxis outside the airport, again it is best to pre-book online.
